BIBLE READING PLAN

52 week journey through the Bible

Welcome to 52

We understand that from the beginning to the end, the Bible is one BIG STORY! Sometimes this BIG STORY can seem too big, too complicated, and not relevant in our busy lives today. That's where 52 comes in!

Exploring one chapter of the Bible each week over the course of one year, 52 will take you on a guided journey through 28 Old Testament and 24 New Testament passages - the 52. Laid out in bright colours and a user-friendly format, each week of 52 is packed full of simple study questions, fun activities and challenges, short prayers, memory verses and lots more!

The 52 timeline

The Bible plan revolves around a SIMPLIFIED timeline, that enables readers to understand the key elements, events, and stories of the Bible, without getting buried in the details!

Each week there are selected Bible readings, a memory verse, and some interesting challenges to emphasise, or apply the scriptures, in a meaningful and practical way

So...what can you expect?

MEMORY VERSE

Read

Grab your Bible and read the daily passage. Each week there is also one memory verse to learn and further passages to take you deeper into the BIG story.

Look

Go deeper into each week's passage by using the 3 study questions provided each day and note how God is speaking to you on the journal page.

Live

Each week we have some easy challenges designed to help you put into practice something you have just read. Why not give them a go!

Pray

Spend some time giving thanks, saying sorry, praying for others and yourself. Use our guided prayer and craft your own - God loves it when we talk to him!

Keep this Book of the Law always
on your lips; meditate on it day
and night, so that you may be
careful to do everything written
in it. Then you will be prosperous
and successful.

BIBLE SOCIETY
NGĀ RINGA HĀPAI I TE PAIPERA TAPU KI AOTEAROA

When people get to know Jesus through God's Word, lives change for good and that is why our mission is to help make the Bible accessible to everyone and to encourage interaction with it.
